Enrollment

1876 pregnant women
screened for eligibility

1140 women excluded
- Not meeting inclusion
criteria or declined to
participate

736 Randomized

Allocation

365 women allocated to n-3
LCPUFA supplement

371 women allocated to
control supplement

Lost to follow-up (21)
Twins (3)

Lost to follow-up (22)
Twins (2)

Analysis

341 children included
in the cohort

347 children included
in the cohort
